Regn. No. 2731

Esteemed Sir,

We the inhabitants of Munireddipallyam most humbly and respectfully beg your kind permission to place the following representation before your generous self for your sympathetic consideration and early and favourable orders

Munireddipallyam is a part of Bangalore City Municipality being situated to the north of Bangalore behind Bangalore Palace Though the place is situated far off from City and Cantonment, it has gained importance due to its good climate, water supply and electric light illumination It has rapidly grown(with its thick population) due to the nearness of Mysore Infantry, Kaiser-Hind Mills Hebbal Agricultural Farm, Serum Institute Cuttahalli and Vallesvaram The middle and poor class people have found it convenient for them to stay in that locality Moreover, retired Military people have taken a fancy to settle there

But we regret to state that this place is becoming more and more unhealthy on account of the rapid increase in population Small families are packed in small houses for want of accommodation There are no vacant lands in the interiors of the place for constructing houses But it is surrounded by vacant lands The owners of these vacant lands are not kind enough to give them to poor people of the locality at moderate rates

Hence we pray that your gracious and kind self be pleased to visit this locality and order the acquiring of the surrounding vacant lands by the City Municipality and dividing them into small sites and give them to the poor people of the place at a moderate

moderate prices

In the alternative the dialogue Maidan situated behind the Military Adviser's Bungalow (to the south of Kaiseri Hind Mills and east to the Bangalore and Bellary Road) may atleast be kindly granted for house building purposes

We as bound in duty pray for your long life and prosperity

We beg to remain
Esteemed Sir,
Your most obedient inhabitants
